VISION

To become a world class Educational center of the Nation for Engineering, Technology, Computer Applications and Management with moral and professional standards to serve the community at large.

MISSION

- To achieve academic excellence in Engineering, Technology, Computer Application and Management Education.
- To inculcate high moral and professional standards among our students.
- To develop the overall personality of our students.
- To promote Industry Institute Interaction through more number of collaborative programs with Industries, Research and Development centers.
- To venture for sustained placement for our students through campus interviews.

PLACEMENT DETAILS

Out of the 1315 students who received their degree, 910 of them are placed through campus interviews, 227 of them through off campus and 174 of them have become entrepreneurs. The students are placed in many leading organizations like Cognizant Technologies, Wipro, Infosys, Mu-Sigma, Comm Vault, Global Analytics, Vembu Technologies, Tech Mahindra, Soliton Technologies, HDFC, ICICI, Yes Bank, ITC Ltd, L&T, Zoho, Naukri.com, HCL, Hewitt, Renalult Nissian, Virtusa, RBS, Accenture, Mindtree, Kotak Mahindra Bank, Pepsico etc., with a salary ranging from 2.4 lakhs to Rs 6.5 lakhs per annum.

HIGHER STUDIES

192 Students are pursuing their higher studies at various Universities in India as well as Abroad. Students have got admission into top ranking Universities like University of Texas, Stanford University, Carnegie Mellon University, University of Massachusetts, Arizona State University, North Carolina State University, National University of Singapore, Illinois Institute of Technology, NJIT, University of West Virginia, Leeds University (UK), North Carolina State University, IITs, IIMs, NIITs etc., through our Advisory Bureau for Higher Studies (ABHS).

EXTRA-CURRICULAR ACTIVITIES

Our students have excelled not only in the field of academics, but also in the field of sports. We have V Sneka, S.Srinidhi, M.Vigneshwar, Tharani, Kerchiyal, S.Anandharaj, Mohammed Aship Asharaf, S.Sowjanya, Tulika Godamkar & J.G.Nivethitha who represented our college in various events at the National and International Levels.

The Management, Principal and Staff extended a hearty congratulation to all the above students and all the budding graduates for their academic and extracurricular achievements.

CO - CURRICULAR ACTIVITIES

The Indian National Academy of Engineering (INAE) Awards: The Indian National Academy of Engineering (INAE), New Delhi has constituted the best project award for the final years students. After preliminary scrutiny of the projects submitted nationwide, 16 projects were selected for the final presentation. Out of these 16 projects St Joseph's is proud to win 3 projects.

The selected projects are

- "Design and Development of 3D Printer" done by G. Vignesh, and S. Akash of the Mechanical Engineering Department under the guidance of Mr. L. Balamurugan. This Project also received NIT Kozhikode National Award for the Best B.Tech. Project by ISTE.

- "Effect of Dynamically Controlled Reflectors on the performance of Solar Panels" done by Soloman Jeshur Raja, and A.V. Vamsi Krishna of the Electrical and Electronics Engineering Department under the guidance of Mrs. V. Uma.

- "Dry Agram [Beta] - A Unique DNA Based Ink and Hologram for Authentication Security" done by E. Jothivanam, and Y.V. Vamsi Bharadwaj of the Bio Technology Department under the guidance of Dr. Justin Packia Jacob.

- Ms. Reshmi.N and Ms. Ishwarya.B, of the Bio Technology Department carried out their final year project in "Tuberculosis Research" at National Institute for Research in Tuberculosis, Chennai. This Project is jointly funded by National Institute of Immunology (ICMR, India), National Institute of Health, USA

- Mr. Naveen Kumar.R and Mr. Heronimus Melvin.X, of the Bio Technology Department carried out their final year project in the "Bioethanol from Agriculture waste", which has been published in International Journal named "Renewable Energy" with an Impact factor of 3.5

- Mr. Joseph Jose.K of the Electronics and Communication Department attended a Student Leadership Conference organized by Optical Society of America, held at Tucson, Arizona, USA.

43rd University rank which adds feather to our crown.

The Rank holder was honored by giving a cash prize worth
Rs. 25,000 and a shield.

PLACEMENT DETAILS

Out of the 253 students who received their degree, 82 of them are placed through campus interviews, 74 of them are all well placed through off Campus and 7 of them have become entrepreneurs. Through campus interviews, the students are placed in many leading organizations like Cognizant Technologies, Wipro, Infosys, Mu-Sigma, Verizon, Tech Mahindra, Soliton technologies, L&T, Zoho, HCL, Virtusa, Renault Nissan, Virtusa, Accenture, Mind tree, etc., with a salary ranging from Rs.2.4 lakhs to Rs. 6.5 lakhs per annum.

HIGHER STUDIES

43 of our Students are pursuing their higher studies both in India and Abroad which includes universities like Clemson University, University of South Florida(US), University of Melbourne, National University of Singapore, Illinois Institute of Technology, University of Wes Virginia, Leeds University (UK), IIT, IIM etc., through our Advisory Bureau for Higher Studies (ABHS)

EXTRA-CURRICULAR ACTIVITIES

Our students have excelled not only in the field of academics, but also in the field of sports. We have Peddada Nagalakshmi who represented our college in various events at the University and National Levels. The Management, Principal and Staff extended a hearty congratulation to the above student and all the budding graduates for their academic and extracurricular achievements.

Conquista 2016

Distribution of 1031 Placement orders to the Placed Students

The word that makes us well with pride of our achievement. CONQUISTA is the ceremony of issuing the offer letters to the students recruited through campus placement. It was held on April 9th, 2016 with grandeur.

CONQUISTA'16

The function was presided by the Senior Director-HR, from Cognizant Technology Solutions, and the General Manager - Competency & Operations Group, Wipro technologies who handed over the offer letters to the students in the presence of the Managing Director and Principals of St Joseph's group of Institutions. Human resources - Campus Hiring from Cognizant and Wipro were also present as 'special invitees'.

The Management & the Department of Training & Placement are not satisfied with helping the students get a better placement alone. Our primary concern and focus is more on helping the students establish themselves in their career by building the 3S - Survival, Sustainability and Success. This ensures the students get a firm footing in their profession; realize their dreams and their worth as individuals in their professional and personal lives. We want to achieve not only quantitative placement, but more of qualitative placement in the years to come.

We are proud to inform that we have achieved a placement record of 1031 so far in this year. It is indeed a golden feather in the cap of St. Joseph's Group of Institutions.

The wonderful rapport and healthy relationship between the academia and various companies like Cognizant, WIPRO Technologies, Infosys, ZOHO, Thought Works, Sanmar, Verizon, MRF, Technip, UniTech Transfer(Germany), etc. contributes a lot to mutual growth. They have rendered right exposure to the student, helped them become aware of the latest trends in technology, realize their worth and prove themselves in a globally competitive world.

The Department of Training & Placement conducts Soft Skills & Quantitative Aptitude training programs for the Pre-Final year students to train and prepare them for placement. A 12 day Placement Orientation Program (POP) is conducted every year and is compulsory for all the students to attend.

Aptitude assessment tests are conducted once in every week for all the students. Every student in this college attends 18 assessment tests a year. These tests have improved their performance in the campus recruitments to a great extent. Several activities are being organized every year to bridge the gap between academia and the industry.

COGNIZANT : ✨ We have signed a MoU with Cognizant and it has set up an Open Source Lab worth rupees 6 lakhs in our college for the betterment of the students. ✨ Cognizant conducted an Eye Opener Program 'Evolve – Transition from School to College Life' for 1340 First year students. This enlightened the students about Corporate expectations that will make them to take their studies seriously. ✨ Cognizant has conducted Mock Interview for the final years ahead of the Day 1 Campus recruitment that helped them to understand the interview process and perform well in the Campus Interviews. ✨ Our faculty members have attended various faculty Development programs conducted at their Campus. ✨ Cognizant has instituted Cognizant Certified Student Program in our college. ✨ CIO Challenge of Cognizant has arranged their company's projects for our students. ✨ Cognizant is partnering with St.Joseph's Group of Institutions for setting up aCognizant Big Data Analytics Labworth rupees 5 lakhs in our college for the betterment of the students.

WIPRO : ✨ WIPRO has honored and accredited our college as a TRUSTED ACADEMIC PARTNER for providing talent of Higher Caliber and meeting the qualifying standards of Excellence. ✨ WIPRO has conducted Mission 10X Faculty Enhancement Program. It is a Soft Skills Training program conducted forfacultyies of various streams of Engineering and Technology. ✨ Students of our College attended the Women's day Celebration at Wipro CDC5, Shollinganallur campus.

INFOSYS : ✨ Students have been trained in Technical Skills in Foundation Enablement Program through Infosys Campus Connect. ✨ Our faculty members from MBA & M.Sc. – CT participated in the Soft Skills Training Program conducted by Infosys at our College premises. ✨ Infosys has conducted WEBINAR to instill the awareness in the students of the latest technological development.

VIRTUSA : ✨ With the signing of a MoU with Virtusa,Data Warehousing lab has been set up for the students to work in the lab. ✨ Around 23 students have been selected to gain industrial exposure. ✨ The students are currently undergoing training in the Data Warehousing lab.

MURUGAPPA GROUP : ✨ Our college has joined hands with Murugappa for Murugappa Young Professional (MYP) program. ✨ Alongside with Murugappa group, we have taken initiatives for various campus Connect programme. ✨ Additionally two batches of third year students have successfully completed and submitted their projects to the Murugappa Young Professionals program.

XERVON GULF : ✨ XERVON GULF, a UAE based company has signed an MOU with our college this year. ✨ It will enable them to recruit students through campus interviews in St.Joseph's College Of Engineering and St.Joseph's Institute Of Technology.

VERO SOFTWARE : ✨ The signing of MOU with VERO SOFTWARE, UK will benefit students by improving their skill sets in CNC machining through CAM simulation software, EDGE CAM etc.

OVERSEAS PLACEMENT : ✨ Three students from our college, got selected in UniTech Transfer (Germany) for a salary package of 23 Lakhs / annum.

Providing industrial exposure to the students through all these professional activities and grooming their academic excellence are not the only motive of the Management. Its prime aim is to inculcate moral values, discipline, morale, responsibility and make them good citizens, sons and daughters, friends and above all, a better human to dare and care for the world he or she lives in.

ADVISORY BUREAU FOR HIGHER STUDIES

The advisory Bureau for higher studies (ABHS) was inaugurated in the year 1999. Ever since its inception, it is functioning as a separate wing. The prime notion is to serve the student community for getting higher studies admission in India and abroad. The main objective of ABHS is to enable the students to prepare for tests like GRE, TOEFL, GMAT, IELTS, GATE, CAT etc. ABHS has the latest information regarding GRE, TOEFL, GMAT, IELTS, GATE and CAT. The students can access ABHS for getting information about various universities and courses offered. The record of the alumni pursuing higher studies is maintained in the ABHS.

TIE-UP WITH FOREIGN UNIVERSITIES

An memorandum of understanding (MOU) has been signed between St. Joseph's college of Engineering and New Mexico Tech. The MOU was signed between Dr. B. Babu Manoharan, Managing Director, St. Joseph's college of Engineering and Dr. Daniel. H. Lopez, President, New Mexico Tech, Socarre, New Mexico, USA on August 22, 2003. This MOU signifies mutual interest in the development of joint educational and research projects. The two institutions agreed to collaborate in research, teaching and/or out reach in the fields of interest to both institutions. The program may also encompass the exchange of publication, scientific and technical material, scientific journals, submission of joint research proposals to funding agencies and co-operations in research projects on topics of mutual interest. This program envisages long term and short term exchanges of faculty visiting professorships and other activities in the fields that are of mutual interest.

BUSINESS ENGLISH CERTIFICATE (BEC)

The Business English Certificate (BEC), a certification from Cambridge university, ESOL is a qualification which is specifically in English for work, whether it is industry, business or government. BEC is a skill based qualification; it gives students the opportunity to learn practical language skills and show to employers how good they are in these skills. BEC certification is given under three levels - Preliminary, Vantage and Higher. Every year the diagnostic test is being conducted for all the students and they are categorized under three levels. Based on that, training is being given to the students. To attain a BEC Certificate, students have been assessed in the four areas namely; listening, speaking, reading and writing. The tasks and questions are taken from real workplace situations.

Advisory Bureau for Higher Studies

For the past four years, BEC examination has been conducted by the Cambridge University in our College campus. The details of the results are as follows:

BEC is relevant and has helped the students to become more competent and confident by improving language proficiency. BEC has developed cross-cultural communication skills and overall development of the students. It has an impact on confidence levels through international certification.

COMMUNICATION SKILLS LAB

- English Lab has the following modules designed to enhance language skills among students to make them successful in their careers.
- Communication Skills are a comprehensive language development program covering reading, writing and grammar.
- Listening Skills section gives the students a thorough grounding in many aspects of listening and listening comprehension. This enhances students listening skills.
- Vocabulary module trains students in essential vocabulary in an easy and firm way. A unique methodology is used to ensure that students learn words and retain them.
- Phonetics trains the students in English sounds, pronunciation, stress, intonation etc. It covers vowels, consonants, Diphthongs, Inflections, Intonation, Stress pattern and rhythm, Ear training, Common errors in English, Correct pronunciation and Phonetic Symbols.
- Self-assessment at the end of each assignment.

CAREER LAB

A self-learnable digital program that teaches Public Speaking, Facing Interviews, Group Discussion, Resume Preparation and Assertiveness. These are among the

skills HR executives consider essential for every prospective employee.

Modules in Career lab are:

- **Public Speaking**
- **Facing Interviews**
- **Group Discussion**
- **Resume Preparation**
- **Assertiveness**
- **Soft Skills**

All the programs are designed to impart important career skills to the students to enhance employability and ensure success. The courses are self – learnable and interactive. Concepts are authored in an easy and learner friendly one-on-one style. Rich visuals and animations make the courses interesting and help students understand concepts better. Assessments are integrated of evaluate student performance.

FACILITIES

Books and CD's for taking-up examination like GRE, TOEFL, GMAT, IELTS, CAT etc are available. About 1,150 books and 100 CDs are available for the access of the students. Campus training classes for GATE has been commenced from this academic and GRE, TOEFL classes are going as before.

ABHS organizes guest lectures and seminars to equip the students for pursuing higher studies .Various Workshops and seminars are handled by resource persons from IDP, USIEF, Cambridge University, British Council and other higher studies agencies. Apart from this, the students are exposed to the first hand information from Associate Director, Deans, Department heads and faculty members from many educational institutes like SUNY, Arkansas State University, Swinburne University, University of Sussex, Illinois Institute of Technology, Rochester Institute of Technology, University of Denver, Pace University and Southern Illinois University. Many academicians have visited our campus and they briefed the students about the application process, scholarships and requirements in their respective universities.

STUDENTS PURSUING HIGHER STUDIES ABROAD

Our students have got admission into various top ranking universities in different countries like USA, Australia, UK, New Zealand, Canada, Germany, Sweden and Singapore. To name a few, University of Texas, Stanford university, NJIT, Carnegie Mellon university, University of Massachusetts, Arizona State University, North Carolina state University, Illinois Institute of technology, University of Pennsylvania, Concordia University, Leeds university, Florida institute of technology, University of Birmingham, NUS, NTU, University of West Virginia, MRIT, University of MTU, McGill University etc. Many of our students are also pursuing higher studies in the esteemed institutions like IITs, IIMs, and IIPM.

The number of students who have got admission for higher studies during recent years:

S.No	Academic Year	No of students*
1.	2014 - 2015	192
2.	2013 - 2014	187
3.	2012 - 2013	163
4.	2011 - 2012	131
5.	2010 - 2011	123
6.	2009 - 2010	118

**This is the number of students who have gone for higher education immediately after the completion of their course and many take up their higher education after one or two years of work experiences in industry.*

Employability Enhancement Training Program

The EETP (Employability Enhancement Training Program) is a joint initiative by BSNL (Bharat Sanchar Nigam Limited) and AICTE to enhance the competence and employability of the students. The program provides skill-based training in the telecommunication domain at the state-of-the-art training facilities. The training offered at BSNL, Rajiv Gandhi Telecom Training Center, Meenambakkam, Chennai and Regional Telecom Training Centre, PeriyarSalai, SIDCO Industrial Estate, Maraimalai Nagar, Chennai has been designated to train the students of our group of institutions.

The programme pedagogy and other related details are presented below in a nutshell. The students selected for EETP will be offered a dual mode of learning on a 3-certification programme, to be covered progressively in the 5th semester (3 Subjects) for silver Certificate, 6th semester (2 Subjects) for Gold Certificate, 7th semester (2 Subjects) for Platinum Certificate for the same set of students.

The dual mode of training includes online content assimilations by the students for the respective semester and practical hands-on exposure on high-end telecom equipment to prepare the students for industry through face to face sessions. During the online content assimilations, students can get clarifications from SMEs of BSNL through e-mail/online portal.

Following are the lists of students attending the BSNL training program.

VALUE ADDED COURSES

Skills and knowledge beyond what the curriculum teaches is necessary to succeed in today's world. Our college believes in nurturing the students into a wholesome professional and hence our students are encouraged to undergo Value added courses and attend workshops. These courses develop in them an urge to keep them updated on the latest trends and improves their technical skills further.

These courses offer our students an edge over the others and have the following advantages:

- Enhances learning skills, technical knowledge, creativity and ability to innovate.
- Exposure to recent trends in your core field augmenting your employability.
- Ability to compete with students at a global level.
- Enables students to perform and understand original and cutting edge research.

Keeping in mind the recent trends and to make sure that our students are technically stronger, these value added courses are made mandatory for all the students in the fourth and sixth semester.

It will be a 48 hours (6 days) program and the students will be charged a nominal amount per course. In the academic year 2015-16, a total of 4420 students have benefitted from these courses. These students are divided into batches of 30 students for better learning.

Value Added courses for II year Students

In the present day scenario, all engineers need extensive computational skills irrespective of their engineering branch of study. As most of the industries are very keen on programming fundamentals, our college has arranged value added course on C and C++ for all II year students. This course is well designed to

- Enhance their fundamental knowledge of programming
- Enhance their logical thinking and problem solving skills
- Provide good hands on practice in writing C and C++ programs
- Develop and implement mini projects in C and C++
- Demo of real time projects using C and C++ like C coding for Embedded systems

- Give exposure to real time projects using C and C++ with respect to their fields
- Include pre-assessment and post-assessment of every student
- Train students to work as team in developing projects.

The Trainers are from well known Software Training Partners like Digiterati, Eyeopen, NIIT, Visys, Navo Tech and Software companies like Stigmata, Edxeng which are run by St. Josephs Alumni.

Total number of students benefitted : 2245

St. Joseph's College of Engineering : 1488 students

St. Joseph's Institute of Technology : 757 students.

Value Added courses for III year Students

Our college makes sure that our students have enough options to choose from and specialize in the following courses according to their desire and inclination. The courses are taught by experts from the industries using the laboratory facilities available in our campus as well as in the respective industry premise.

Total number of students benefited : 1900
St. Joseph's College of Engineering : 1323 students
St. Joseph's Institute of Technology : 577 students

Quality Improvement Cell

QIC of our college, on collaboration with IIT Bombay and Anna University is conducting online workshop that covers Free Online Software Source (FOSS) such as Latex, Java, C/C++, Open foam, Scilab, PHP, Python, etc. Following the workshop, students are provided with study materials to help them in facing 45 minute objective type online test after 3 weeks of the workshop. In this academic year, about **1690** students undergone the workshop and appeared the online test. Students clearing the online test are given an **e-IIT Certificate** on their successful completion of the workshop. These workshops creates awareness and interest among the students in learning the new softwares.

Students Workshops

We also organize various workshops on current technologies in association with reputed industries as well as with student chapter organisations to impart necessary skills for best transition from an engineering student to an engineering professional. These workshops enhance the theoretical concepts learnt by students with hands on practical sessions as well as provide an outline for many emerging technologies that are not covered in the syllabus. Some of these workshops conducted by different departments for their students in this academic year are :

- Bigdata and R-Programming
- Android App Development
- Parallel Programming
- Python Programming
- GNU/Linux,Ruby
- Waste Water Treatment, Heat Exchanger - working model expo
- Biofuels and Bioenergy
- FPGA based PWM Control For Power Converters
- ARM Processor
- Line Follower Robot
- PCB Designing
- Energy Auditing and Conservation
- Embedded System with Robotics
- Advanced Machining Techniques
- MATLAB
- Basics of Embedded System –Arduino - H-Bridge
- Global Positioning Systems
- PLC programming – Siemens S7 1200
- Campus to Corporate
- Presentation Skills
- Energy Smart Sustainability
- Responsible Business Communication
- Personal Leadership

To understand the corporate working environment better, our college has signed several MoU's with world class organizations like Vero Software (U.K), BSNL etc. These MoU's facilitates students of ECE and EEE to avail the best possible training from them.

We also encourage and provide the necessary infrastructure for online courses like Classle, Alison, NPTL (National Programme on Technology Enhanced Learning), and Coursera. Edustar USA is providing an online course on Computational coursework for students of mechanical engineering.

The credentials gained by students through these values added courses are very helpful in getting a job in the competitive market and shows their preparedness to take up the challenge ahead.

- d. Not absent for Cycle Tests I, II & III, Model Theory Examinations I, II & III and Model Practical Examinations.
- e. Not absent for special classes (3- 5 PM) conducted for Model Examination for the failed subject
- f. However, weightage will also be considered for genuine medical leave and leave taken for own brother/ sister's marriage.

Eligibility Criteria for Continuing in the Hostel

Students:

- With no standing arrears at the time of remitting hostel fee in the month of February
- Not involved in any indisciplinary activities
- Not involved in any misbehaviour or misconduct
- Keeping the rooms neat and clean
- Keeping the electrical fittings and furniture in the room properly
- Careful in power usage by switching off the electrical equipments like fans and lights
- Not using cell phones
- Not absconding from the hostel
- Not disturbing other inmates or consuming prohibited items

SATURDAY ACTIVITIES

***E**very Saturday in the college is a wonderful opportunity for students to showcase their talents. This activity day serves the dual purpose, as an alternate for the routine classroom and to develop their skills. The day starts with placement training for all the students. The students participating in activity Saturday are divided into two different groups. The first group stays back at the college and the second group is headed towards an orphanage or old age homes.*

Pre Placement training program:

All students who are participating in the Saturday activities will undergo pre placement training. Pre placement training will be for duration of 2 hours. Students will be trained by the experts in the area of quantitative aptitude, verbal and soft skills.

Soft skill activities:

The first group of students, who is staying back in college, are further divided into groups with six student organizers to coordinate the activities. The rooster system is followed and every student is given a chance to be a student organizer during his stay in the college for four years. These six students will conduct various activities focussing on developing the communication skills of students and making them void of stage fear.

This program envisioned by our Managing Director has proved to be an effective tool to inculcate leadership qualities. Here the students apart from developing their confidence levels also use this as a platform to collaborate with others. The activities are planned at different levels for students at different stages based on their year of study:

Communication skills:

For the first year students the main focus is on developing

communication skills and instilling confidence. The student organizers start from basics like memory games, tongue twisters, and shipwreck. Then they slowly move on basic grammar using the play way method and translation games. They listen to audio and video clippings which would serve the dual purpose of motivating them and teaching them language. Peers scaffold them and help them to come out of their shells. Students are trained to influence and convince others, to discuss and reach agreement. Awareness of achievements, abilities, values & weaknesses & what one wants out of life is also done through sessions designed to analyze their self. They develop the competencies needed for current & future roles.

Interpersonal skills development activities:

For the second year students the focus is on developing soft skills. Various activities are conducted to create awareness and develop their efficacy in handling situations. Students have various activities like Role play, Channel surfing, quiz, debate, technical puzzles. They are trained in developing a positive attitude, team skills, adaptability, personal integrity, negotiation skills, critical thinking and personality development. They

start recognizing and respecting different perspectives. They accept responsibility for views & actions and by now they are able to work under their own direction & initiative. They start generating new ideas and solutions.

Employability skills:

The focus for the third year and final year students is on employability skills. They are given various communication activities to express their ideas clearly and confidently. They also participate in various team activities which would help them to work confidently in a group. Students enrich themselves with problem solving techniques and able to act on the initiative; identify opportunities, proactive in putting forward ideas & solutions. They are trained to adapt themselves to changing situations. Students are trained to prioritize and manage time effectively. They are also trained in written and oral communication. Thus, all these activities help in making students more employable and competitive in the global market.

NGO activities:

The second group of students, who are visiting orphanages and old age homes, shed all their inhibitions and mingle with the children there and spend some quality time with those children. St. Joseph's group of institutions offers a special lunch with sweets and ice cream to all inmates of the homes. It indeed teaches the Josephites how much we are blessed and motivates us further to reach out to the underprivileged and do something for them.

St. JOSEPH'S ECO-SOC CLUB

The St. Joseph's MUN 2015, a two day conference was held on the 3rd and 4th July 2015, a step forward into World Diplomacy. The conference was inaugurated by guest of honor **Dr. Thandavan, Vice Chancellor, University of Madras** and Dr. B. Babu Manoharan, Managing Directors, St. Joseph's Group of Institutions. The Conference is organized as a part of St. Joseph's ECOSOC club in collaboration with the Young Leaders Consortium (YLC).

YLC is an organization founded by young leaders of India. The organization is selected as the International Steering Committee Member Organization for the UNESCO Global Alliance on Media and Gender. YLC focuses on the promotion of student interest in international relations and build leadership qualities. The St. Joseph's MUN 2015 is tied up with OSLO MUN which is one of the largest MUN organizers in Norway. The co-sponsor for the conference is Cognizant Technology Solutions (CTS).

The Secretariat of St. Joseph's MUN 2015, consists of three of the very best in the MUN circuit, Mr. Shouryadipta Sarkar holding the position of Secretary General, who works for the Young Leaders Consortium (YLC) from Bangalore. The Deputy Secretary General was Mr. MuraliRavikumar, Associate Data Analyst, Infosys. Ms. Sinduja K, Director General, St. Joseph's College of Engineering.

Four councils were simulated at the conference namely Disarmament and International Security Committee (DISEC), United Nations Human Rights Council (UNHRC), United Nations Security Council (UNSC), and BILDERBERG. Along with these four councils, the conference also initiated with International press council. The agenda for DISEC was addressing the situation due to the armed conflict in South Sudan. UNHRC had the agenda of addressing the violation of human rights due to human trafficking and migrant smuggling. UNSC worked towards addressing the threats to international peace and security due to the escalating violence in state of system. The agenda for BILDERBERG was challenges faced from the rising nationalism in Europe. Delegates from different cities of the country took part in the conference namely- Delhi, Mumbai, Pune, Nagpur, Chandigarh, Hyderabad, Bangalore, Alleppey, and Chennai. The conference had a participation of 230 delegates across these cities.

On the concluding day the four councils came out with few amendments and resolutions. The Valedictory function was graced by Dr. B BabuManoharan, Managing Director, St. Joseph's Group of Institutions and Mr. B. Jaikumar Christhuran, Director, St. Joseph's College of Engineering. The prizes were distributed by Dr. B. BabuManoharan. A whopping prize amount

of Rs. 60,000 was distributed to various councils. The UNHRC best delegate award was given to Afghanistan delegate. The best delegate award for the UNGA-DISEC was given to delegate from Russia. In the UNSC council, the best delegate award was given to delegate from Brazil. The best delegate award in BILDERBERG was bagged by Christine Lagarde, Managing Director of IMF. The best delegation trophy was bagged by SRM University. The SJMUN 2015 saw a competitive discussion, arguments, and debate among the delegates in all the four councils. The conference turned out to be a great success.

The ECO-SOC club of St. Joseph's group of institutions, conducted a club activity called 'Democratic Power Play' on the 25th of February 2016 for the club members. The club activity consisted of three rounds. The first round was aimed at testing and educating the members of the club with an interactive quiz which also served as a screening test. Fifty students were selected who progressed to next rounds. The quiz covered various social, economic, and legislative topics. The selected students were segregated by random selection into five groups each consisting of ten members which represented five political parties. Following which each team was asked to come up with five laws they would like to implement and justify why they would be essential if they could run the country as a government. The teams were given fifteen minutes each to prepare a manifesto and campaign for their political party. The third round had two major events. The first event -'Power Grill' was a debate between team leaders of the five political parties. The judge evaluated the performance of the team leader. The second event involved all the members of the audience casting their votes.

The winning teams were decided based on the criteria leadership skill, communication skill and mission towards society laid down by the judges as well as by popularity voting. The club activity apart from being interactive and educational, served to create awareness about our country's legislative system amongst the students. The winners for this event are follows:

The ECO-SOC club has also conducted an activity, "SUIT UP" on 24th March 2016. It is an activity in which participants take part in simulated court proceedings, which usually involves drafting memorials or memoranda and participating in oral argument. The activity was organized for the club members of St. Joseph's College of Engineering and St. Joseph's Institute of Technology. This activity was organized to promote increased confidence, poise, oral skills, critical thinking skills and teamwork skills, plus increase proficiency in basic skills such as reading, writing, speaking, analyzing and reasoning, and interpersonal skills such as listening and cooperating. Further, to give students a better understanding of the legal system - from the rules of evidence to proper court decorum. This increases their awareness of the importance of law in a democratic society and strengthens understanding of their fundamental rights under the Indian constitution. There were three rounds, the first round consisted of screening test, where all club members attended a quiz consisting of 25 questions related to current economic and social issues. Twenty students were selected for the second round. A team of 3 students were constituted randomly. They had to select between a criminal and civil case. They were briefed about the courtroom procedures and the roles of attorney, judge and defendant. They had chosen these roles for enactment. The third round was the actual role play reflecting the trial room. The judges evaluated the performance of the participants and were given cash prize and merit certificates. Eco-soc quiz was conducted for the students who were not selected for the second round. The prize winners are listed below:

Google Student Club

The Google Student Club is a part of the Google Student Ambassador Program that is hosted by Google across the globe. The Google Student Program envelopes 74 cities in India consisting of 177 GSAs. We are proud that St. Joseph's College of Engineering, St. Joseph's Group of Institutions is one of the seven Colleges in Chennai which were selected to participate in the Program. Ms. Shaheen Qadir, a student of Final year, Information Technology is the Google Student Ambassador and represents our College in the Program. The program acts as a liaison between our college and Google. The Google Student Club includes students from both St. Joseph's College of Engineering and St. Joseph's Institute of Technology aims to improve the technical and business skill set of fellow students by hosting and organizing events

and workshops. It conducts product/program pilots within campus and helps google better understand the culture of our campus. The members of the club are selected through a screening test where they are tested not only on their intellectual skills but also on their calibre and creativity.

The club aims to facilitate students who are technically sound and also students who have great "design thinking" ability. The students get opportunity to interact with members of google community which includes GDGs(Google Developers Group),GSAs(Google Student Ambassadors) andGBGs(Google BusinessGroup).The students are given platform to pitch their ideas and seek guidance for the same. The club also spreads a word about various competitions, boot-camps, scholarships and other opportunities that are provided by Google. The club aims to find the talented students, train them and provide them with opportunities that could help them practice their areas of expertise.

The club also spreads a word about various competitions, boot-camps, scholarships and other opportunities that are provided by Google. Google 'Applied CS with Android', which is one of such boot-camps, is an initiative by Google to help students understand and apply Computer Science Concepts using Android platform. Google 'Applied CS with Android' conducted its boot-camp 2016 on 5th and 6th of March at Google India Ltd, Bangalore and Google India Ltd, Hyderabad. The boot-camps involved facilitators, selected by Google 'Applied CS with Android' team, from over 70 universities across India. Each boot-camp had around 40 facilitators. St. Joseph's College of Engineering and St. Joseph's Institute of Technology are two among the seven colleges in Chennai which were selected to participate in this program. The members of St. Joseph's Google Students Club,

Mr.AkaashDev, a student of Third year, Computer Science Department, St. Joseph's College of Engineering and Mr. Aravind, a student of Third year, Information Technology Department, St. Joseph's Institute of Technology, were selected as the Student facilitator for the 'Applied CS with Android' boot-camp held at Google India Ltd, Bangalore. They were enriched with the practical applications of Data structure in the Android platform.

The Club conducted its event 'SAVVY CRUNCH', on 21st of August 2015 in the Periwinkle hall of the Placement block. The day marked enthusiastic participants with an urge to learn and make the most out of it. Motivation keeps a person always ready to absorb the good things. The inspirational video of Mr. Steve Jobs was screened to start the event with the spirit of competition and motivation. The various rounds conducted, tested the student's knowledge on Google products, their shrewd debugging and programming capability and their quick intellect. All the events were planned to unravel the skill and intellect of the students. The events "Being Google", "Enigma" and "Poker" were all a way of learning in one of the most entertaining ways.

The final round was a Design Sprint, an event to design mobile apps where students displayed their ideas and creativity. The energy unleashed in this round was enormous. It gave an opportunity for students to brainstorm about various features that can make an app more exciting and useful. The winners of the event were awarded with cash prizes and merit certificates. Thus, the event marked the process of learning in a competitive and enjoyable manner and hence a great success.

St. Joseph's

வழுவெள்ளி

(NGO - Non Governmental Organisation Activities)

To give to the needy is true charity. All other gifts have the nature of a measured return. Every human being must have a same opportunity to have a peace living. Every one of us should give more to private, charitable effort to eliminate poverty. Our Managing Director desires for extending his support to the homes of the aged people, children suffering with cerebral palsy and orphanages through St. Joseph's (வழுவெள்ளி), non-governmental organisation. Also he wants to invoke the service mind of student community by encouraging visits to these homes. For this academic year 2016-17 St. Joseph's (வழுவெள்ளி) committed to contribute more than Rs.85,00,000 towards

the developments of these homes by the way of infrastructure developments, teaching and learning aids, food and cloth requirements. For this academic year we are going to support Primary Health Centre in and around campus. In the forthcoming academic years also, the contribution amount will face the increasing trend.

For the past five academic years more than 100 NGO's, which include 80 orphanages, 15 old age homes and 10 CP children home in and around Chennai have been visited by our student volunteers. During 2015 - 2016 we also visited Primary Health Centre. These visits gave our students to be aware of the existence of poor, downtrodden life style and acknowledge their own good fortune and create a sense of duty towards those less fortunate which is the need of the hour for our country's development. Further, it makes the young mind to serve the needy, to make them responsible citizens. Past five academic years, continuously our college has arranged several visits/ semester for various homes. St. Joseph's has sponsored around Rs. 55,00,000 and the student volunteers willing and whole heartedly spent around Rs. 15,00,000 which was utilised in an useful manner by offering the basic needs such as rice bags, groceries, toys, cloths, pillows, medicine etc., for the inmates. For the past five years our college provides snacks in the evening to the students of Government High School, Semmencherry. Our student volunteers also taking evening classes along with school teachers for the children studying 10th standard in that school. School attendance very much improved. In the SSLC public examination school results were improved, this year also we expect more than 90% pass. St. Joseph's provides food and transport facilities for several NGO and Government High School to conduct and participate their programs. St. Joseph's (வழுவெள்ளி) is committed to serve the following:

*** Build infrastructure Food and Cloths * Teaching and Learning aids * Medicines and Sanitary Requirements * Provisions & Other needs**

Our college offers special lunch (both Vegetarian and Non Vegetarian dishes with sweets, savouries and ice creams) to all the inmates of orphanages and old age homes. Our students are provided with transport facilities to visit the homes on activity Saturdays. All the students, from first year to final year both UG and PG enthusiastically participated and mingled with inmates of home and spend their daytime with them share their happiness. They also spend their pocket money in useful manner by offering needy things.

We wish to continue this service forever.

Special Occasions

Ifthar

Our College celebrated Ramzan on 15th July 2015. All the Muslim students in our college undergone fasting within the campus. The early morning food called as "sahar" according to the muslim custom, was served with delicious items by the college in the mess at 4.30 a.m. In the evening, the Muslim students are well served for the "ifthihar" that is for breaking the fasting at 6.30 p.m, dates and cool drinks along with the porridge. The hostel students attended Namaz in their respective hostel rooms. Special Namaz was conducted at 1.00 p.m on Fridays. During Ramzan fasting period, prayers were conducted in our college mosque.

Onam

The festival of rice harvest was celebrated on 21st August 2015 with great spirituality and delight. All Malayali students came with full rejoice to participate on this special occasion. Our Beloved Managing Director attended this festival with his family and conveyed his wishes to all the students. Malayali students dressed up in their traditional wear, particularly girls wearing the kasavu saree and performed kaikottikali, Malayalam pattu and Nadakam. The celebration was called off with the grand dinner where the menu includes aviyaal, erussery, pulissery, nenthram pazham and different types of payasams.

Teachers Day

Our College celebrated the Teachers day as a special

occasion from 2nd,3rd ,4th September 2015. The students entertained the respective departments faculty members with unique shows on that special day. Our Management gave gifts to all the teachers of our college as a token of appreciation.

Vinayaka Chathurthi

Our college celebrated Vinayaka chathurthi on 17th September 2015. Lord Vinayaka's birthday was celebrated by decorating the Ganesha Statue in our college temple with flowers. Pooja was grandly performed in the temple in the presence of our beloved Managing Director's family. Delicious food was offered to the lord and Kozhakatai was distributed to the students. Many students came forward to participate on that occasion and filled in with all blessings of Ganesha.

Ayudha pooja

Our College celebrated Ayudha Pooja on 20th October 2015. The traditional Ayudha pooja celebrations took place by arranging Kolu for 9 days in our college from the day of Mahalaya Amavasya till Vijayadasami. On this special day, all the laboratories and office were beautified with plantain trees, mango leaves and glazing papers which was followed by a pooja in the presence of Chairman and Managing Director's family. The remarkable parts on this celebration were the mouth-watering lunch, sweets and ice creams that were served for all the students and staff. Gift

vouchers for deepavali were distributed on the day of ayudha pooja to administrative staff, technical staff, non-technical staff, drivers, sweepers, scavengers, workers in the mess and daily wage workers.

Deepavali

The festival of lights is celebrated with full delight and enthusiasm. Deepavali is the most expected festival by all. This year the festival of lights was celebrated on 7th November 2015. On this special eve, a grand lunch with exotic dishes ranging from mouth lingering sweets till delicious deserts was served.

Deepam

Kaarthigai Deepam is celebrated on the full moon day in the Tamil month of Kaarthigai. This festival is known for brighten lights. The deepam celebrations took place in our college on 24th November 2015 with lamps lighted by the divine flame that is believed to fend off evil forces and escort ecstasy and prosperity.

Padi pooja

The festival was celebrated in our college on 12th December 2015 by decorating the holy steps of Ayyappa with flowers and silk clothes and lighting traditional lamp. Managing Director, Staff and Students attended the pooja and "irumudi" was tied to those who went to sabarimala. Traditional songs were sung in pooja and a grand feast was given to those who attended pooja.

Special Occasions

Christmas

Christmas is the season of joy, of holiday greetings exchanged, of gift-giving, and, of families united. The Christmas celebrations took place in our college campus on 18th December 2015. On Christmas day, a special mass was conducted in our college chapel. The celebrations included a rhythmic performance from our college choir and an add-on surprise package by the Santa clause. The staffs and students were completely spellbound with the Christmas gratification and the day was called off with a hearty lunch.

Pongal

Pongal is an occasion that is believed to chime in the opulence. It is renowned as a thanksgiving festival for various Hindu deities. "Thai" is the first month of the Tamil Almanac. This joy-filled Pongal occasion was celebrated in our college on the 8th January 2016. The day's

lunch was served with different varieties of Pongal. Indeed, Pongal is a festival of freedom, peace, unity and compassion crystallized in the last hymn on unity in the Indian spiritual text the Rig Veda.

Hostel Day

Hostel day is one of the most awaiting occasion of the year in St. Joseph's college of Engineering. This wonderful day was celebrated in our college on 19th March 2015 with lots of events conducted for both boys and girls. The Hostel was decorated with colour lamps and balloons making it more eye-catching. Cricket, Volleyball, Basketball, kabaddi matches were held and the winners and runners were awarded with cash prizes. Cultural events such as Singing, Skit and Dance were performed in the presence of our beloved Chairman, Managing Director and Director. Matches and other events were conducted 3 days prior to hostel day.

Special Dinner and snacks was provided to the hostilities. At last, the day ended with whole masthi and fun.

Easter

Our College celebrated Easter on 23rd March 2016. Easter is the springtime holiday marking the rebirth of Jesus and the renewal of the Christian faith. A special program was conducted by St. Joseph's College Fellowship in our college Placement Cell which was attended by students and staff. The celebrations started with worship songs and prayer. Heartfelt wishes were shared among everyone and end off with holy blessing of God.

Ugadi

Our college celebrated Ugadi on 8th April 2016. The Telugu New year festival popularly called as Ugadi comes close on the heels of Holi. This day of celebration is marked by religious fanaticism and social jollity. Special dinner was served for the hostel students. Exotic dishes made with raw mango went on well with the occasion. Ugadi which is considered to be the most auspicious time to start new ventures was indeed a cheerful and a memorable celebration to be remembered by the staffs and students of our college.

Tamil New Year

Our college celebrated Tamil New year on 15th April 2016. The Tamil New year festival popularly called as Puthandu. It is the celebration of the first day of the traditional Tamil calendar. The day is marked with feast and decorated with kolams. Special lunch was served to all.

St. Joseph's Volleyball Academy

St. Joseph's Men Volley ball Academy

of institutions was integrated with Veluduyar Hr.Sec School located in Thiruvavarur District in the year 2014. St.Joseph's Group of Institutions offers a colossal amount of Rupees 1, 80,000 as scholarship for the hostel students studying in this school; a great help for the students to pursue their school education. St. Joseph's Group of institutions also offers scholarship for Sports academy students who pursue their college education.

encouragement, guidance and constant support from St. Joseph's Group of Institutions. St.Joseph's Group of Institutions offered a scholarship amount of rupees fifty thousand for the Summer Volleyball camp held at Veluduyar Hr.Sec School in the year 2015. In addition to the scholarships, the students were also offered free coaching and Nutritious food during the camp.

St. Joseph's Volleyball academy was started by St. Joseph's group of Institutions in the year 2013. The team was considered as one of the best teams in the year 2014 due to the untiring efforts of the trainer Mr. C. Jayaprakash. St.Joseph's Group

The volleyball team won the first place in "B" Division in the tournament conducted in the year 2015 and it was selected for "A" division volleyball tournament due to the

Month/ Year	Tournament	Place Won
August 2015	Thanthai Periyar Memorial Volleyball Tournament - Thiruvapur	Runners up
October 2015	Tamilnadu Volleyball association Inter collegiate Volleyball Tournament	Runners up
November 2015	Chief Minister Volleyball Tournament	Runners up
November 2015	“A“ Division League Volleyball Championship	6 th Place

The volleyball team started exhibiting their talents right from the beginning of the academic year 2015-2016. The team got 3rd place in the volleyball tournament held at Ashok Nagar.

It is also noteworthy that several outstanding teams like, The Indian Bank, Indian Overseas Bank, Customs Department,

and Income tax department participated in this tournament. In the senior volleyball championship tournament held at Ooty the volleyball team won the selection round among colleges and won the quarter finals against customs team. It also won the Semi-finals in opposition to The Indian bank team. In the finals they faced Indian Overseas Bank team and

both teams were announced as Joint winners due to rain.

This victory is attributed to the hard work by the St. Joseph's Sports Academy. During the 17th Annual Day of St. Joseph's Sports Academy the volleyball team was encouraged with an amount of rupees twenty five thousand by St. Joseph's Group of Institutions.

St. Joseph's Women Volleyball Academy

Our student Ms. Sharadambigai was placed in St. Joseph's Group of Institutions and given an opportunity to pursue her B.P.Ed at YMCA. She was offered the college fees, Hostel Fees and other expenses towards her education in single installment and all other help to pursue her physical education. Certainly she owes much to St. Joseph's Group of Institutions.

Ours students Ms. A. Sindhu and Ms. C. Karthiga were given an opportunity to pursue Masters of Engineering and were placed as Asst. Professors in St. Joseph's group of Institutions. Our Student Ms. Malathy was also placed in St. Joseph's Group of Institutions. St. Joseph's Group of Institutions has extended helping hands to several students to get trained for the Sub- Inspector selection in the year 2016-2017.

St. Joseph's Group of Institution offers a scholarship every month to talented students realizing their economic status. During the academic year 2016-2017 several students were offered admissions in UG and PG course and thereby revolutionized their lives.

We all know that St. Joseph's group of Institutions understands the needs of students and extends help, voluntarily at the right time.

St. Joseph's Group of Institutions for extending immeasurable help and raising the life standards of our students.

Amidst the mountains in Coimbatore, lies the small village called Chinnathadagam. When the girls from this village started realizing their potential in volleyball under the guidance of Mr. Maruthiyan, volleyball coach of their village, St. Joseph's Group of Institutions adopted them during the academic year 2007-08. They were given admission in Bachelor of Engineering and other postgraduate courses. They were encouraged with free education along with boarding and lodging at free of cost.

From the day of inception they were made to win first place in all the tournaments conducted at the state level, inter university and National level games by the constant

encouragement and support given by St. Joseph's Group of Institutions. In addition to this they have adopted girls who are talented and provided them sportswear and gear at free of cost and encouraged them to be the best.

Moreover St. Joseph's Group of Institutions is providing all the guidance and support to conduct a district level and state level volleyball tournament in Chinnathadagam village. For the past seven consecutive years, starting from the academic year 2007-2008 to 2013-2014, they have won all the women's volleyball tournament conducted between 22 to 23 colleges. They have won all the state level competitions during these seven consecutive years.

INTERNATIONAL ATHLETIC ACHIEVEMENTS

St. JOSEPH'S SPORTS ACADEMY

17th Anniversary Celebrations

ANNUAL REPORT 2015-16

Our Sports Academy was established in the year 1999 with initial strength of 25 boys and 25 girls under the stewardship of Dr. P. NAGARAJAN, our Chief Coach along with his sports minded committed deputies.

The Perseverance and hard work of the athletes, the sincere and dedicated efforts of our coaches and tremendous encouragement by the parents were recognized by St. Joseph's Group of Institutions. It was great dream come true when St. Joseph's Group of Institutions adopted the Academy in the year 2003. Today it is wholly owned by St. Joseph's Group of

Institutions and it is popularly known as St. Joseph's Sports Academy. There was no looking back for the academy since then, bettering achievements year after year, growing from strength to strength and to swelling number of over 300 athletes. The parents have extended their fullest cooperation for the formation of the academy.

Before sharing the outstanding athletic achievements of our academy, we are proud to enumerate the various projects introduced by St. Joseph's Group of Institutions to encourage and support the budding athletes.

SPORTS HOSTEL

We have started our sports hostel in the year 2006 with the strength of 40 athletes. It is the first private sports hostel of its kind in India. Now the hostel consists of 60 athletes with the achievements of National and International. The vision of the sports hostel is to produce first Olympic Medal for India in Athletics.

SCHOLARSHIP SCHEME

This was introduced in the year 2005. There were about 16 athletes all over Tamilnadu who performed excellently in National competitions. They are identified under the scheme. These athletes were awarded Rs. 10,000/- each (i.e. Rs. 5000/- worth kit and other benefits Rs. 5000/- cash). These athletes were trained by various coaches who extended their services in the nook and corner of Tamilnadu and their services were recognized by this academy without nullifying their basic interest. In the current year other 15 athletes were benefited under this scheme.

FREE PROFESSIONAL EDUCATION

The St. Josephs College of Engineering has allotted free seats for outstanding athletes and performers in various games. Under this scheme, the selected candidates get full fee concession for the curriculum and free hostel facilities. About 100 athletes and 150
