St. Joseph's Institute of Technology

2nd Graduation Day Report

*The 2nd Graduation Day
will be held in the month of June.*

***373** students will receive their degree.*

*The College has bagged five University Ranks
in Anna University Examinations held in May, 2016
which adds a feather to our crown.*

*All the Rank Holders will be honoured by giving
a Cash Prize of **Rs.25,000/- & Shields.***

*The total prize money amounts to **Rs.1.25 Lakhs.***

Placement Details

Out of the 373 students who receive their degree, 181 of them have been placed through campus interviews, 76 through off campus interviews and 10 of them have become entrepreneurs. The students were placed in many leading organizations like Cognizant Technology Solutions, Wipro, Infosys, Mu-Sigma, Tech Mahindra, Zoho, CSS, Mphasis, Tychons, Wolters Kluwer, Accenture, Mindtree, Financial Software Services, Transun Technologies, Flextronics, Menaka Electricals, SSWL India, VVDN, Torry Harris, etc., with a salary package ranging from Rs. 2.4 lakhs to 7.6 lakhs per annum.

Higher Studies

51 students are pursuing their higher studies at various universities in India as well as abroad. Students have got admission into top ranking Universities like Stanford University, Queens University, Clemson University, University Of Massachusetts, University Of Central Lancashire, Texas Tech University, Texas A & M University, Karlsruhe Institute Of Technology-Germany, Edinburgh Napier University, National University of Singapore, Illinois Institute of Technology, NJIT, University of WestVirginia, Leeds University (UK), North Carolina State University, IITs, IIMs, NITs, etc, through our Advisory Bureau for Higher Studies (ABHS).

Co-Curricular Activities

Our students have achieved in the National Level Online Application Development Competition- SAP APP RUMBLE 2015 conducted by SAP LABS Technologies,

CONQUISTA 2017

DISTRIBUTION OF 1372 PLACEMENT ORDERS TO THE PLACED STUDENTS

CONQUISTA' 17

the word that makes us feel honoured with pride of our achievement. CONQUISTA is the ceremony of issuing offer letters to the students who were recruited through campus placement. The event was held on 08th April 2017 with grandeur.

Chief Guest of the
CONQUISTA' 17

Mr. Singaravelu Ekambaram

Senior Vice President - P & R, Cognizant

Mr. Suryanarayanan M.S

Associate Vice President, Infosys Limited

**1372 STUDENTS RECEIVED PLACEMENT ORDERS FROM VARIOUS COMPANIES
ON THE OCCASSION OF CONQUISTA' 17 HELD ON 08th APRIL 2017**

The function was presided by the Senior Vice President, Cognizant; and the Associate Vice President, Infosys who handed over the offer letters to the students in the presence of the Chairman & Managing Director, Directors and Principals of St. Joseph's group of Institutions. Human Resources – Campus hiring from Cognizant and Infosys were also present as 'special invitees'.

of students alone. Our primary concern is more on helping students establish themselves in their career by building 3S – Survival, Sustainability and Success thereby get a firm footing in both profession and personal lives. We want to achieve not only quantitative placement, but more of qualitative one in the years to come.

We are proud to inform that we have reached a placement of 1357 added to this year in spite of economic slowdown. It is indeed a golden feather added to St. Joseph's Group of Institution's cap.

The wonderful rapport and healthy relationship between the academia and various companies

like Cognizant, WIPRO, Infosys, ZOHO, Soliton, Thoughtworks, Verizon, MRF, Technip, Tech Mahindra, etc. contributes a lot to mutual growth. They have rendered students a right exposure, helped to become aware of the latest trends in technology, realize their worth and prove themselves in a globally competitive world.

The Department of Training & Placement conducts Soft Skills & Quantitative Aptitude training programs for the first year students as a preparatory step for Placement. A 6-day Aptitude Crash Course Training is conducted in the first / second year and is compulsory for all the students to attend similarly, a 6-day Placement Orientation Program (POP) & 6-day Company specific training is given to the students in the final year.

Aptitude assessment tests are conducted once in every week for all the students. Every student in this college attends 18 assessment tests a year. These tests have improved their performance in the campus recruitments to a great extent. Several activities are being organized every year to bridge the gap between academia and the industry.

The Management & the Department of Training & Placement do not get just pleased with placements

COGNIZANT

- We have signed a MoU with **Cognizant** and it has set up an **Open Source Lab** worth rupees **6 lakhs** & **Big Data Lab** worth rupees **5 lakhs** in our college for the betterment of the students. Cognizant conducted an Eye Opener Program 'Evolve – Transition from School to College Life' for 1340 first year students. This enlightened the students on Corporate expectations that will make them to take their studies seriously.
- Cognizant has conducted Mock Interview for the final years ahead of the Day 1 of Campus recruitment that helped them to understand the interview process and perform well in the Campus Interviews.
- Our faculty members have attended various Faculty Development Programme conducted at their Campus.
- Students gain industry knowledge by frequent interaction with industry experts through **Cognizant Students Club**.
- Cognizant has instituted Cognizant Certified Student Programme in our college. Certified students are provided on opportunity for internship.
- **CIO Challenge** of Cognizant has arranged their company's projects for our students

COGNIZANT BEST PROJECT AWARD

As a token of appreciation for innovative ideas, the following projects are selected for Cognizant best project award

NAME	BRANCH	COLLEGE	PROJECT TITLE
Marina Sruthi	BE - CSE	St.Joseph's College of Engineering	Automated Pollution Detection System Using Iot And Aws Cloud
Praveen M & Natesh Raj	BE - CSE	St.Joseph's Institute of Technology	Algorithmic game theory using Artificial Intelligence

WIPRO

- WIPRO has honored and accredited our college as a **TRUSTED ACADEMIC PARTNER** for providing talent of Higher Caliber and meeting the qualifying standards of Excellence. WIPRO has conducted Mission 10X Faculty Enhancement Programme It is a Soft Skills Training programme conducted for 42 faculties of various streams of Engineering

and Technology. Students of our College attended the Women's Day Celebration at Wipro CDC5, Shollinganallur campus.

INFOSYS

Infosys recognized our college as "Advanced partner Institute" in Campus Connect

Students have been trained in Technical Skills in Foundation Enablement Programme through Infosys Campus Connect.

Our faculty members from MBA & M.Sc. – CT participated in the Soft Skills Training Programme conducted by Infosys at our College premises.

Infosys has conducted WEBINAR to instill the awareness in the students of the latest technological development.

VIRTUSA

With the signing of a MoU with Virtusa, Data Warehousing Lab has been set up for the students to work in the lab.

Around 23 students have been selected to gain industrial exposure

The students are currently undergoing training in the Data Warehousing lab.

MURUGAPPA GROUP

Our college has joined hands with Murugappa for Murugappa Young Professional (MYP) programme.

Alongside with Murugappa group, we have taken initiatives for various Campus Connect programme.

Additionally two batches of III

year students have successfully completed and submitted their projects to the Murugappa Young Professionals program

XERVON GULF

XERVON GULF, a UAE based company has signed an MOU with our college this year.

It would enable them to recruit students through campus interviews in St. Joseph's College of Engineering and St. Joseph's Institute of Technology.

VERO SOFTWARE

The signing of MOU with VERO SOFTWARE, UK would benefit students by improving their skill sets in CNC machining through CAM simulation software, EDGE CAM etc

INTERNSHIP

Cognizant, Frost Sullivan and K. L. Laboratories have signed for internship with students.

Four Mechanical students were offered internship programme by Murugappa Group.

Providing industrial exposure to the students through all these professional activities and grooming their academic

excellence are not the only motive of the Management. But our prime aim lies in inculcating moral values, discipline, responsibility and make them good citizens, sons and daughters, friends and above all, a better human to dare and care for the world he or she lives in.

REPORT ON ENTREPRENEURSHIP DEVELOPMENT CELL 2016-17

- Signed MOU with National Entrepreneurship Network of Wadhvani foundation
- Conducted three entrepreneurship awareness and development programs for 300 students in association with I.N.D.I.A Trust.
- Organized two phases of workshop for students with funding from EDI, Government of Tamil Nadu. 200 students and 20 students from various departments participated for one day and five days respectively.
- Two students who were shortlisted from second phase participated third phase of EDI sponsored training conducted by CED Anna University.

Dr.G.Ramasundaram and Dr. Rohini represented our college in the workshop on startup policy of AICTE organized by EDI Tamil Nadu at Anna University on 1st March 2017. Workshop was presided by AICTE Chairman and EDI Tamil Nadu Director. A team from AICTE explained about initiatives of government of India related to establishment of ED cell and start up activities.

Dr.Jayasree Krishnan, Dr. Latha Selvi, Dr. Murugaesan, Dr. Justin Packia Raj, Dr. Diwan, and Mr. Merin attended one day conference on Bridge 2017, A Journey of Transforming India organized by ICT Academy.

Two of students Mr. B. Ashwath and Mr. K. Abishek from ECE department participated in various events conducted as part of Enantra'17 organized by CED Anna University on 23rd and 24th February 2017.

ABHS

Advisory Bureau for Higher Studies

The Advisory Bureau for Higher Studies (ABHS) was inaugurated in the year 1999. Ever since its inception, it is functioning as a separate wing. The prime notion is to serve the student community for getting admission to higher studies in India and abroad with a main objective to enable students prepare for tests like GRE, TOEFL, GMAT, IELTS, GATE, CAT, etc. It maintains all the latest information regarding these exams. The students can access ABHS for getting any information about various universities and courses they offer. The record of the alumni pursuing higher studies is well-maintained in the ABHS. In St. Joseph's Institute of Technology, ABHS was inaugurated in the year 2013 with a similar objective and all the facilities

TIE-UP WITH FOREIGN UNIVERSITIES

An Memorandum of Understanding (MOU) has been signed between St. Joseph's college of Engineering and New Mexico Tech.

The MOU was signed between Dr. B. Babu Manoharan, Chairman and Managing Director, St. Joseph's Group of Institutions, and Dr. Daniel. H. Lopez, President, New Mexico Tech, Socarre, New Mexico, USA exchanged MOU on August 22, 2003 signifying mutual interest in the development of joint educational and research projects. The two institutions agreed to collaborate in

research, teaching and/or outreach in the fields of interest to both institutions.

The programme also encompasses the exchange of publication, scientific and technical material, scientific journals, submission of joint research proposals to funding agencies and co-operations in research projects on topics of mutual interest.

This programme envisages long term and short term exchanges of faculty visiting professorships and other activities in the fields that are of mutual interest.

BEC

BUSINESS ENGLISH CERTIFICATE

The Business English Certificate (BEC), a certification from Cambridge university, ESOL is a qualification which is specifically in English for work: whether it is industry, business or government. BEC gives students the opportunity to learn practical language skills and show to employers how good they are in these skills. BEC certification is offered under three levels - Preliminary,

Vantage and Higher. Every year, a diagnostic test is being conducted for all the students and they are categorized under three levels.

Based on the level of categorization, students are given training for the test to attain BEC Certificate, students are assessed in the four areas: listening, speaking, reading and writing. The tasks and questions are taken from real workplace situations.

Advisory Bureau for Higher Studies

For the past seven years, BEC examination has been conducted by the Cambridge University in our college campus. The details of the results are as follows:

Cambridge ESOL Exam Preparation Centre

For the past five years, our college has been recognized as the best preparatory center for conducting BEC examination by Cambridge University, ESOL.

BEC is relevant and has helped the students to be more competent and confident by improving language proficiency. It has also developed cross-cultural communication skills and overall development of the students with an impact on confidence levels through international certification. Every year, our students outperform others in the BEC examination and some of them are awarded as high performance achievers.

COMMUNICATION SKILLS LAB

- English Lab has the following modules designed to enhance language skills among students to make them successful in their careers.
- Communication Skills acts as a comprehensive language development programme covering reading, writing and grammar.
- Listening Skills section gives the students a thorough grounding in many aspects of listening and listening comprehension.
- Vocabulary module trains students in an easy and firm way to learn words and retain them.
- Phonetics trains the students in English sounds, pronunciation, stress, intonation, etc. covering vowels, consonants, Diphthongs, Inflections, Intonation, Stress pattern and Rhythm, Ear training, Common errors in English, Correct pronunciation and Phonetic Symbols.
- Self-assessment at the end of each assignment aids in analyzing the progression made.

CAREER LAB

A self-learnable digital program that teaches Public Speaking, Facing Interviews, Group Discussion, Resume Preparation and Assertiveness is the Career Lab. These are among the skills HR executives consider as essential ones for every prospective employee.

Modules in Career lab are:

- Public Speaking
- Facing Interviews
- Group Discussion
- Resume Preparation
- Assertiveness
- Soft Skills

All the programs are designed to impart important career skills to the students and thereby enhance employability and ensure success. The courses are self-learnable and interactive with Concepts authored in an easy and learner friendly one-on-one style. Rich visuals and animations make the courses interesting and help students understand the concepts better. Assessments are integrated to evaluate student's performance.

FACILITIES

Books and CDs for taking-up examination like GRE, TOEFL, GMAT, IELTS, CAT, etc are available. About 1,150 books and 100 CDs are available for the access of students.

ABHS organizes guest lectures and seminars to equip students

for pursuing higher studies. Various workshops and seminars are handled by resource persons from IDP, USIEF, Cambridge University, British Council and other higher studies agencies.

Apart from this, students are exposed to the first hand information from Associate Directors, Deans, Department Heads and Faculty members from many educational institutes like SUNY, Arkansas State University, Swinburne University, University of Sussex, Illinois Institute of Technology, Rochester Institute of Technology, University of Denver, Pace University and Southern Illinois University. Many academicians have visited our campus and have briefed students about the application process, scholarships and requirements in their respective universities.

CAMPUS COACHING CLASSES

Campus training classes for GATE is being conducted for the III year students during Saturday, Sunday and Monday, whereas GRE, TOEFL & CAT classes are conducted after the regular class hours on the remaining week days.

Even though these classes are meant for the betterment of our hostel students, interested day scholars are also encouraged to join the classes and are allowed to stay in the hostel free of cost during these days.

STUDENTS PURSUING HIGHER STUDIES ABROAD

Our students have got admission into various top ranking universities in different countries like USA, Australia, UK, New Zealand, Canada, Germany, Sweden and Singapore. To name a few, University of Texas, Stanford university, NJIT, Carnegie Mellon university, University of Massachusetts, Arizona State University, North Carolina state University, Illinois Institute of technology, University of Pennsylvania, Concordia University, Leeds university, Florida institute of technology, University of Birmingham, NUS, NTU,

University of West Virginia, MRIT, University of MTU, McGill University, Clemson University, University Of Massachusetts, University Of Central Lancashire, Texas Tech University, Texas A & M University, Karlsruhe Institute Of Technology-Germany, etc. Many of our students are also pursuing higher studies in the esteemed institutions like IITs, IIMs, and IIPM.

The below table shows the number of students who have got admission for higher studies during recent years:

S. No	Academic Year	No of students*
1.	2015 - 2016	187
2.	2014 - 2015	192
3.	2013 - 2014	187
4.	2012 - 2013	163
5.	2011 - 2012	131
6.	2010 - 2011	123

51 students of 2015 - 2016 batch and 43 students of 2014 - 2015 batch of St. Joseph's Institute of Technology have got admission for higher studies.

***This is the number of students who have gone for higher education immediately after the completion of their course while many take up education after one or two years of work experiences in industry.**

VALUE ADDED COURSES

Skills and knowledge inculcated beyond curriculum education is necessary to succeed in today's world. Our college believes in nurturing the students into a wholesome professional and hence our students are encouraged to undergo Value Added Courses and attend workshops. These courses develop in them an urge to keep them updated on the latest trends and improves their technical skills further.

These courses offer our students an edge over the others and have the following advantages:

- Enhances learning skills, technical knowledge, creativity and ability to innovate.
- Exposure to recent trends in the core field augmenting the employability of the students.
- Ability to compete with students at a global level.
- Enables students to learn and understand the use of modern research tools.

Keeping in mind the recent trends and to make sure that our students are technically stronger, these value added courses are made mandatory for all the students in the fourth and sixth semester.

It will be a - 54 hour (6 days) program, for which the students will be charged nominally based on the course opted for. These students are divided into batches of 30 for better learning. In the academic year 2016-2017 a total of 6476 students have benefited from these courses.

Value Added
Courses

PROGRAMMING TRAINING COURSES

Learning is the key to knowledge and continuous learning is being the constant objective of our college. Working towards the objective, our college periodically conducts trainings, lectures and various other programme

for the wellness of the students. One among such wide range of opportunities is E-Box training programme. E-Box is a Technology Enabled Active Learning and Assessment platform for technology and engineering domains. The training was given on C-programming which is the basic Console Based Language. The training session covers both theoretical concepts and practical sessions for 27 hours of 3 consecutive days. Auto evaluation of hands-on exercises at multiple levels has been carried out periodically and the students are calibrated based on their performance. In the present day scenario, all engineers need extensive computational

skills irrespective of their engineering branch of study. As most of the industries are very keen on programming fundamentals, our college has arranged value added course on C for all I, II and III year students through E-BOX. This program enhances the technical skills of students to perform better in their placements. Also a training session on Career Development Skills are organized to provide the students with the self-understanding and necessary tools to establish a meaningful career. It ensures the need for academic knowledge and career management skills to be successful at the end of his/her studies.

Total number of students benefited :	6476
St. Joseph's College of Engineering :	4390 students
St. Joseph's Institute of Technology :	2086 students

TECHNICAL TRAINING COURSES

Our college makes sure that our students have enough options to choose from and specialize in the following courses according to their desire and inclination. The courses are taught by experts from the industries using the laboratory facilities available in our campus as well as in the respective industry premises. To keep in pace with the latest technologies pertaining to their field of study, a technical course is organized for all the III year students. The course Bridges the perceived technical competency gaps between academics and industry Provides an opportunity to develop the technical skills for employability and higher studies. Some efficiently developed technical training programs organized by different departments for their students are:

- **Engineering Analysis with CFD**
- **Hands on Training in Automotive Engine assembly, Transmission drives and**
- **Air Conditioning Unit**
- **Product Design with FEA**
- **STADD.Pro V8i**
- **Introduction to ARM Microcontroller Programming**
- **Training on Basic Electronics and Robotics Motor**
- **Matlab based solar photovoltaic system**
- **Internet of Things (IOT) using Python and Embedded C**
- **Web Application Development using Java**

- Ethical Hacking
- Embedded Robotics
- Networking
- DNA Fingerprinting Techniques
- Animal handling Techniques
- Training on RT-PCR
- Mitigation of Corrosion in Process Industries
- J2EE (Hybernet, Spring, Struts)
- R Programming
- Robotics
- Wireless control application using ESP
- Virtual Instrumentation
- Intelligent Instrumentation (Pragmatic Engineer Level 3.0)
- Factory Automation
- Personal Effectiveness

The Trainers are from well-known Software Training Partners like UDVAVISK Technologies. Goodwin Motors Sands Pvt. Ltd., Strides Consulting Inc., eStaar Max Technologies, Medox Biotech India Pvt. Ltd. Micro Therapeutics Research Labs Pvt. Ltd, VClinBiolabs, Sri Ramachandra Medical College and University, IBNC, Digiterati, Eye Open Technologies, NIIT, Resurge Academy, Visys, Navo Tech and Software. companies like Stigmata, Edxeng which are run by St. Josephs Alumni.

Total number of students benefited : 2212
St. Joseph's College of Engineering : 1471 students
St. Joseph's Institute of Technology : 741 students

QUALITY IMPROVEMENT CELL

QIC of our college, in collaboration with IIT Bombay and Anna University conducts online workshop that covers Free Online Software Source (FOSS) such as Latex, Java, C/C++, Open foam, Scilab, PHP, Python, etc. Following

the workshop, students are provided with study materials to help them in facing 45 minute objective type online test after 3 weeks of the workshop. In this academic year, about 3349 students have undergone the workshop and appeared for

online test. Students clearing the online test are given an e-IIT Certificate on their successful completion of the workshop. These workshops create awareness and interest among the students in learning the new Software.

STUDENTS WORKSHOPS

We also organize various workshops on current technologies in association with reputed industries as well as with student chapter organisations to impart necessary skills for best transition from an Engineering Student to an Engineering Professional.

These workshops enhance the theoretical concepts learnt by students with hands on practical sessions as well provides an outline for many emerging technologies that are not covered in the syllabus.

Some of these workshops conducted by different departments for their students in this academic year are:

- Emerging learning in thin sheet joining Resistance welding & MIG and Brazing Operations
- Workshop on 3D Printing, assembly and applications
- Recent Trends in Air conditioning
- Training on ARM PROCESSORS
- Matlab based solar photovoltaic system
- Workshop on Embedded Robotics
- Biofuels and Bioenergy
- C and C++ Programming
- Big Data with Hadoop
- Android Application Development
- Emerging Technologies in Chemical Engineering
- IT Infrastructure program
- Workshop on PHP
- Java Fundamentals and Java Programming
- Google Applied CS with Android workshop
- Workshop on Programming Skills
- Analog System design using TENA stimulated module
- Women entrepreneurship

To understand the corporate working environment better, our college has signed several MoU's with world class organizations like Vero Software (U.K), BSNL etc. These MoU's facilitate students of ECE and EEE to avail the best possible training from them.

We also encourage and provide the necessary infrastructure for online courses like Classle, Alison, NPTEL (National Programme on Technology Enhanced Learning), and Coursera. Edustar USA is providing an online course on Computational coursework for students of Mechanical Engineering.

The credentials gained by students through these values added courses are very helpful in placement of competitive market and shows their preparedness to take up the challenge ahead.

SATURDAY ACTIVITIES

Every Saturday in the college is a wonderful opportunity for students to showcase their talents. This day serves the dual purpose, as an alternate for the routine classroom and to develop their skills. The day starts with placement training for all the students. The students participating in activity Saturday are divided into two different groups. The first group stays back at the college and the second group is headed towards an orphanage or old age homes.

Pre Placement training programme

All students who are participating in the Saturday activities will undergo pre placement training. Pre placement training will be for a duration of 2 hours. Students will be trained by the experts in the area of quantitative aptitude, verbal and soft skills.

Soft skill activities

The first group of students, who is staying back in college, are further divided into groups with six student organizers to

coordinate the activities. The rooster system is followed and every student is given a chance to be a student organizer during his stay in the college for four years. These six students will conduct various activities focussing on developing the communication skills of students and making them void of stage fear.

This programme envisioned by our Chairman & Managing Director has proved to be an effective tool to inculcate leadership qualities. Here the students apart from developing their confidence levels also use

this as a platform to collaborate with others.

The activities are planned at different levels for students at different stages based on their year of study.

Communication skills

For the first year students, the main focus is on developing communication skills and instilling confidence. The student organizers start from basics like memory games, tongue twisters, and shipwreck. Then they slowly move on

basic grammar using the play way method and translation games. They listen to audio and video clippings which would serve the dual purpose of motivating them and teaching them language. Peers scaffold them and help them to come out of their shells. Students are trained to influence and convince others, to discuss and reach agreement. Awareness of achievements, abilities, values, weaknesses and what one wants out of life is also done through sessions designed to analyze their self. They develop the competencies needed for current and future roles.

Interpersonal skills development activities

For the second year students the focus is on developing soft skills. Various activities are

conducted to create awareness and develop their efficacy in handling situations. Students have various activities like role play, channel surfing, quiz, debate, technical puzzles. They are trained in developing a positive attitude, team skills, adaptability, personal integrity, negotiation skills, critical thinking and personality development.

They start recognizing and respecting different perspectives. They accept responsibility for views & actions and by now they are able to work under their own direction & initiative. They start generating new ideas and solutions.

Employability skills

The focus for the third year and final year students is on employability skills. They are given various communication activities to express their ideas clearly and confidently. They also participate in various team activities which would help them to work confidently in a group.

Students enrich themselves with problem solving techniques and would be able to act on the initiative; identify opportunities, proactive in putting forward ideas & solutions. They are trained to adapt themselves to changing situations.

Students are trained to prioritize and manage time effectively. They are also trained in written and oral communication. Thus, all these activities help in making students more employable and competitive in the global market.

NGO activities

The second group of students, who are visiting orphanages and old age homes, shed all their inhibitions and mingle with the children there and spend some quality time with those children.

St. Joseph's Group of Institutions offers a special lunch with sweets and ice cream to all inmates of the homes. It indeed teaches the Josephites how much we are blessed and motivate us further to reach out to the underprivileged and do something for them.

ECO-SOC CLUB

**REPORT FOR
2016-17**

The Eco-Soc Club of St. Joseph's Group of Institutions conducted their first club activity for the academic year 2016-2017 on 26th July 2016. The activity titled "City of Tomorrow", gave opportunity to students apply knowledge of science, technology and engineering to create their own vision of the city. The activity consisted of three rounds. The first round was a standard preliminary test that consisted of 25 questions based on general knowledge, economics, technology, history, and civics. A total of 25 students got qualified to the next round which was designed exclusively to be the "City of Tomorrow". The students were grouped into five teams, and were asked to design the City of Tomorrow.

The students were presented with a hypothetical situation where the entire human civilization or whatever was left of it in the post-apocalyptic period desperately need a wholesome city to sustain human life. The hypothetical situation given was – "The infrastructure

supporting the human civilization has been compromised (completely destroyed). The leaders of the world have gathered together and selected a group of ideal candidates (selected students) to plan their tomorrow. They are required to build

from scratch a civilization to support and nurture the human race. The students along with their group members have to plan an optimal city to meet the needs of human beings. The city must consist of the following:

- a) Residential complexes, b) Agricultural fields, c) Public tanks,
d) Sewage system e) Market place.**

The other amenities can be added and designed as per the creativity of each group.

The students were asked to brainstorm and come up with the most efficient futuristic city and draft the design in a chart. The best two teams were awarded with certificates and cash prize. The winners list is given below:

grouped into five groups with three students each. The next round was a challenging one called the stock bidding round. The participants had to buy a stock through bidding similar to real stock market scenario. The participants bidded aggressively and bought the stocks. The next phase of stock bidding was to sell the stock that they were holding. They can set the selling price and have to buy another stock. At the end of this round their overall profit or loss is calculated. In the next round the participants had to build a portfolio with their investments for a period of five months. The news or events related to the market and economic developments were announced in periodic intervals and displayed with their price for 14 stocks. They had to pick up five stocks in

TAMIL PATTIMANDRAM
St. Joseph's College of Engineering

TAMIL PATTIMANDRAM
St. Joseph's Institute of Technology

Google Student Club

The Google Applied CS (Computer Science) with Android is a part of the Google CS with Android Program that is hosted by Google across the globe. The Google Applied CS with Android envelopes 25 cities in India, across 160 universities consisting of 160 facilitators. St. Joseph's College of Engineering is one of the seven colleges in Chennai which was selected to participate in the programme. Mr. Akaash Dev, student of final year CSE, St. Joseph's College of Engineering and Mr. A. Aravind, student of final year IT, St. Joseph's

Institute of Technology, are the Google Campus Facilitator who represents the college in programme that acts as a liaison between the college and Google.

The Google Applied CS with Android aims to improve the technical skill set of fellow students by hosting and organizing several events and workshops. It conducts product/programme pilots within the campus and helps Google better understand the culture of our campus. The students of the workshop are selected through a screening test where they are tested not only on their programming skills but also on their calibre and creativity.

The main idea of the workshop is to make students use Android as a platform to solve CS concepts. The Students were enriched with basic knowledge of Android programming and several Data Structures. The students were facilitated with resources from Google and activities were conducted for better understanding of the concepts. As the workshop was 80% hands on, students had the space to develop their practical knowledge on the concepts.

The workshop was conducted for 5 days comprising of 70 students from the department of IT and CSE. The syllabus of the workshop consisted of 5 units and 5 activities. The students were given a platform to pitch their ideas to design and develop applications in each activity. Over 50 applications were thus developed in the course of the workshop; and also over 48 students got Certifications for Applied CS with Android program from Google.

Cognizant Students Club

The aim of Cognizant students club is to facilitate continuous grooming of the students to meet corporate expectations. This also provides our students with an opportunity to strengthen their skills & sharpen their knowledge.

The objectives of the club:

- To provide opportunity, to gain industry knowledge by frequent interaction with industry experts.
- To provide exposure in latest technological advancements in IT Industry.
- To offer mini projects to implement the theoretical concepts and knowledge possessed by them.
- To get mentorship from industry representatives and to groom themselves for corporate.
- Also develop team building, leadership and interpersonal skills by participating in activities with students from other colleges.

The club activities include communication & personality development, Exposure to latest technologies, mini projects, Coding test, Bug Identification, mentorship, team building, technical guest lectures. Teams from various colleges will be given tasks and the college who have been actively involved in the club activities will be motivated by providing exciting prizes for the best performing college, team, star performer & best mentor. St. Joseph's College of Engineering & St. Joseph's Institute of Technology was consistently performing well and acknowledged by Cognizant for their best performance.

St. Joseph's விடுவெள்ளி

(NGO - Non-Governmental Organisation Activities)

To give to the needy is true charity. All other gifts have a nature of measured return. Each human being has equal opportunity to have a peace living. Every one of us should give more to private and charitable effort to eliminate poverty. Our Chairman and Managing Director desires for extending his support to the homes for the aged people, children suffering with cerebral palsy and orphanages through **St. Joseph's விடுவெள்ளி**, a non-governmental organization. Also, he wants to invoke the service mind of student community by encouraging visits to these homes. For the academic year 2017-2018 **St. Joseph's விடுவெள்ளி** has committed to contribute more than 75 lakhs towards the developments of these homes by the way of infrastructure developments, teaching and learning aids, food and cloth requirements. And also we are going to support Primary Health Centre in and around campus.

For the past six academic years more than 100 NGOs, including 80 orphanages, 15 old age homes and 10 CP children home in and around Chennai have been visited by our student volunteers. During 2016-2017, we also visited Primary Health Centre. All these visits gave our students an awareness of the existence of poor, downtrodden life style and also a feeling to acknowledge their own good fortune and create a sense of duty towards those less fortunate which is the need of the hour for our country's development. Further, it makes the young mind to serve the needy, and thereby make them responsible citizens for the past five academic years, our college has continuously arranged several visits each semester for various homes. St. Joseph's has sponsored around Rs. 60,00,000 and the student have willingly volunteered and whole heartedly spent around Rs.

15,00,000 which was utilized in an useful manner by offering the basic needs such as rice bags, groceries, toys, cloths, pillows, medicine etc., for the inmates. And also, the college has continued to provide snacks in the evening to the students of Government Higher Secondary School, Semmencherry. Our student volunteers are involved in evening classes along with school teachers for the children studying 10th standard in that school. In the SSLC public examination, the school results were improved and this year also we expect more than 90% pass. **St. Joseph's விடுவெள்ளி** is committed to serve the following

a) Build infrastructure, b) Food and Clothes, c) Teaching and Learning aids, d) Medicines and Sanitary Requirements, e) Provisions & f) Other needs

Our college offers special lunch (both vegetarian and non-vegetarian dishes with sweets, savouries and ice creams) to all the inmates of orphanages and old age homes. Our students are provided with transport facilities to visit the homes on activity Saturdays. All the students, from first year to final year both UG and PG enthusiastically participated and mingled with inmates of home and spend their daytime with them share their happiness. They also spend their pocket money in useful manner by offering needy things.

We wish to continue this service forever!

IFDHAR

Our College celebrated Ramzan on 4th July 2016. All the Muslim students in our college underwent fasting within the campus. The early morning food called as "sahar" according to the Muslim custom, was served with delicious items by the college in the mess at 4.30 a.m. In the evening, the Muslim students were served for "Ifdhar" with dates, cool drinks porridge as a sign breaking the fast. The hostel students attended Namaz in their respective hostel rooms. Special Namaz was conducted at 1.00 p.m on Fridays. During Ramzan fasting period, prayers were conducted in our college mosque.

ONAM

The festival of rice harvest was celebrated on 6th Sep 2016 with great spirituality and delight. All Malayali students participated with enthusiasm on this special occasion. Our Beloved Chairman & Managing Director attended this festival with his family and conveyed his wishes to all the students. Malayali students dressed up in their traditional wear, particularly girls wearing the kasavu saree and performed kaikottikali, Malayalam pattu and Nadakam. The celebration was called off with the grand dinner where the menu included aviyal, erussery, puliserry, nenthram pazham and different types of payasam.

TEACHERS DAY

Our College celebrated the Teachers day as a special occasion from Aug 29 to Sep 3 2016. The students entertained their respective department's faculty members with unique shows on that special day. Our Management

gave gifts to all the teachers of our college as a token of appreciation.

VINAYAKACHATHURTHI

Our college celebrated Vinayaka Chathurthi on 5th September 2016, by decorating Ganesha's statue of our college temple with flowers. Pooja was grandly performed in the temple in the presence of our beloved Chairman & Managing Director's family. Delicious food was offered to the Lord and Kozhakatai was distributed to the students. Many students came forward to participate on that occasion and filled in with all blessings of Ganesha.

AYUDHA POOJA

Our College celebrated Ayudha Pooja on 8th October 2016, by arranging Kolu for 9 days in our college from the day of Mahalaya Amavasya till Vijayadasami. On this special day, all the Laboratories and Office were beautified with plantain trees, mango leaves and glazing papers followed by a pooja in the presence of Chairman & Managing Director's family. The remarkable part of this celebration was the mouth-watering lunch, sweets and ice creams that were served for all the students and staff. Gift vouchers for deepavali were distributed on the day of Ayudha pooja to Administrative staff, Technical staff, Non-Technical staff, Drivers, Sweepers, workers in the mess and daily wage workers.

DEEPAVALI

The festival of lights is celebrated with full delight and enthusiasm. Deepavali is the most expected festival by all. This year the festival of lights was celebrated on 27th October 2016. On this

special eve, a grand lunch with exotic dishes ranging from mouth lingering sweets to delicious deserts was served.

DEEPAM

Karthigai Deepam is celebrated on the full moon day in the Tamil month of Karthigai. This festival is known for brightened lights lit all over the place signifying growth and prosperity. The deepam celebrations took place in our college on 12th December 2016 with lamps lighted by the divine flame that is believed to fend off evil forces and escort ecstasy.

CHRISTMAS

Christmas is the season of joy, holiday greetings exchanged, gift-giving, and families getting united. The Christmas celebrations took place in the college campus on 17th December 2016. On Christmas day, a special mass was conducted in the college chapel. The celebrations included a rhythmic performance from the college choir and an add-on surprise package by Santa Claus. The staff and students were completely spellbound with the Christmas gratification and the day was called off with a hearty lunch.

PADI POOJA

Padi pooja The festival was celebrated on 7th January 2017 by decorating the holy steps of Ayyappa with flowers and silk clothes and lighting traditional lamp. The Chairman & Managing Director, Staff and Students attended the pooja and "irumudi" was tied to those who went to sabarimala. Traditional songs were sung in pooja and a grand feast was given to those who attended pooja.

Special occasions

PONGAL

Pongal is an occasion that is believed to chime in the opulence. It is renowned as a thanksgiving festival for various Hindu deities. "Thai" is the first month of the Tamil Almanac where the joy-filled Pongal occasion comes. The celebration in the college took place on 12th January 2017. The day's lunch was served with different varieties of Pongal. Indeed, Pongal is a festival of freedom, peace, unity and compassion crystallized in the last hymn on unity in the Indian spiritual text the Rig Veda.

HOSTEL DAY

Hostel day is one of the most awaiting occasions of the year in St. Joseph's College of Engineering. This wonderful day was celebrated in the college on 11th March 2017 with lots of events conducted for both boys and girls. The hostel was decorated with colour lamps and balloons making it more eye-catching.

Cricket, Volleyball, Basketball, Kabaddi matches were held and the winners and runners were awarded with cash prizes. Cultural events such as singing, skit and dance were performed in the presence of our beloved Chairman & Managing Director. Matches and other events were conducted 3 days prior to hostel day. Special dinner and snacks was provided to the hostilities.

UGADI

Our college celebrated Ugadi on 29th March 2017. The Telugu New year festival popularly called as Ugadi comes close on the heels of Holi. This day of celebration is marked by religious fanaticism and social jollity. Special dinner was served for the hostel students. Exotic dishes made with raw mango went on well with the occasion. Ugadi which is considered to be the most auspicious time to start new ventures was indeed a cheerful and a memorable celebration to

be remembered by the staffs and students of our college.

EASTER

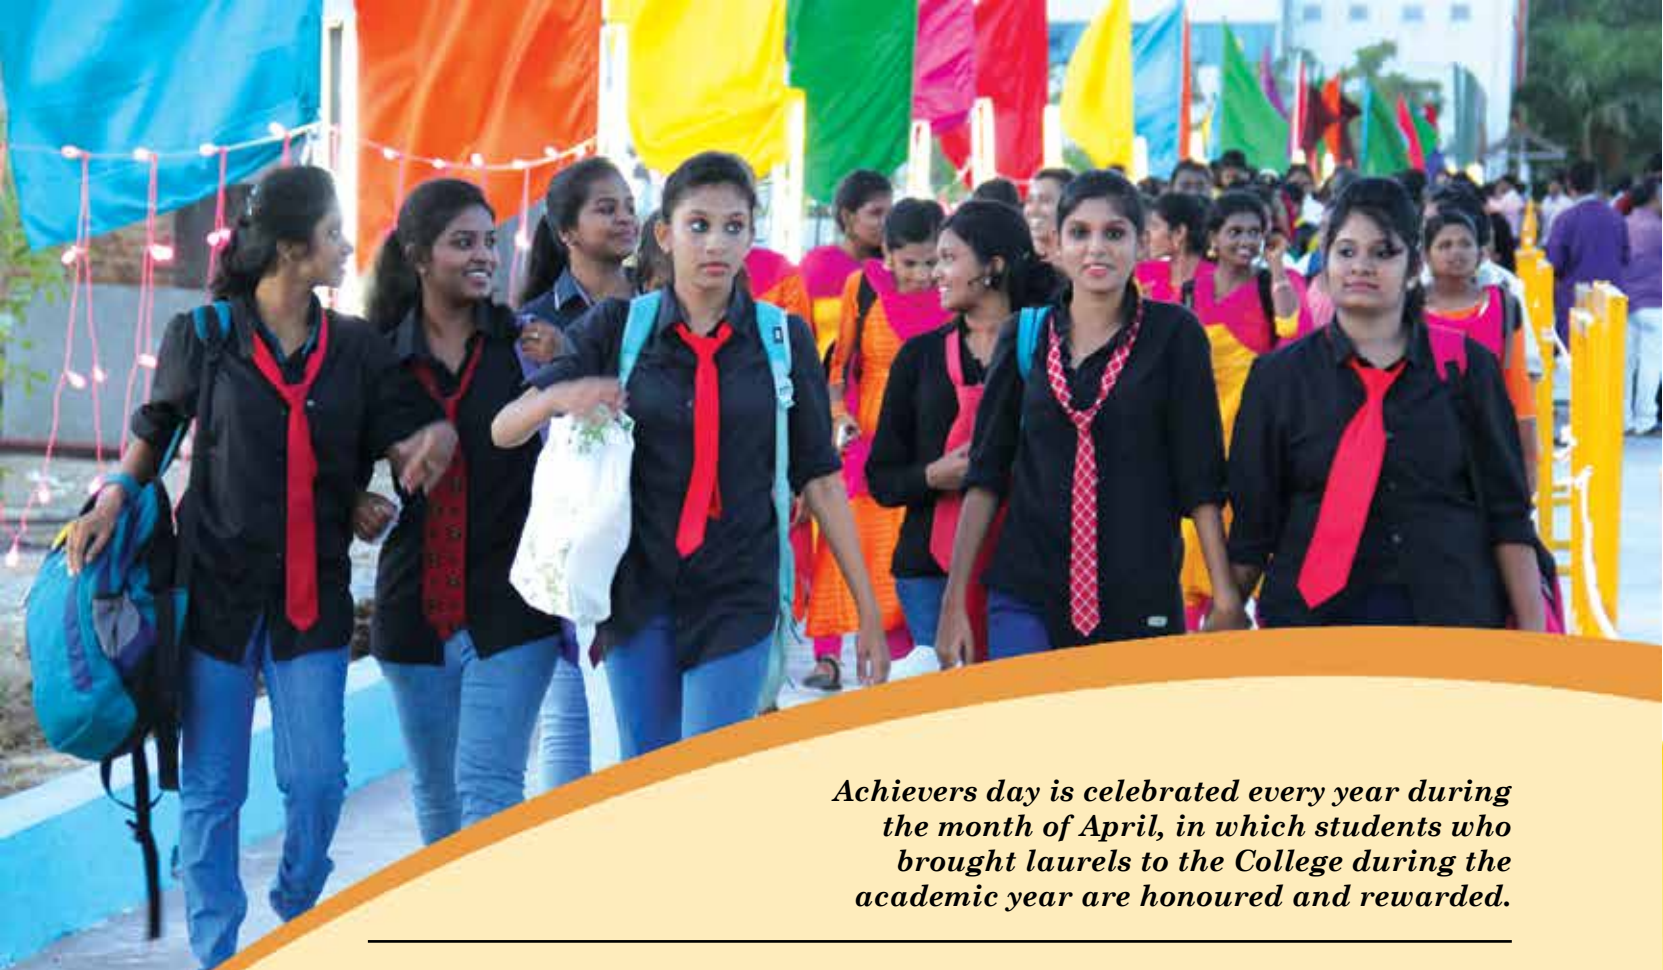

Our College celebrated Easter on 12th April 2017. Easter is the springtime holiday marking the rebirth of Jesus and the renewal of the Christian faith. A special programme was conducted by St. Joseph's College Fellowship in our college Placement Cell which was attended by students and staff. The celebrations started with worship songs and prayer. Heartfelt wishes were shared among everyone and ended off with holy blessing of God.

TAMIL NEW YEAR

Our college celebrated Tamil New year on 13th April 2017. The Tamil New year festival is popularly called Puthandu. It is the celebration of the first day of the traditional Tamil calendar. The day is marked with feast and decorated with kolams. Special lunch was served to all as a part of celebrations.

UGADI FESTIVAL

The collage consists of four photographs documenting the 2019-2020 Annual Conference. The top photo shows a group of approximately 15 people, including men in suits and women in sarees, standing together for a group portrait. The middle photo is a large group shot of about 50 people, mostly women in blue and red attire, posed in front of a banner that reads 'DEPARTMENT OF INFORMATION TECHNOLOGY' and 'International Intelligence & Society'. The bottom-left photo captures a woman in a red sari addressing a seated audience from a podium on a stage. The bottom-right photo shows a group of people seated around a long, polished wooden conference table, engaged in a meeting or discussion.

St. Joseph's Volleyball Academy

Men

St. Joseph's Volleyball Academy was started by St. Joseph's Group of Institutions in the year 2013. The team is considered as one of the best team from the year 2014 due to the untiring efforts of the trainer Mr.C.Jayaprakash.

St. Joseph's Group of Institutions was integrated with Veluduyar Hr. Sec. School located in Thiruvavarur District in the year 2014.

St. Joseph's Group of Institutions offers a colossal amount of Rupees 1,80,000 as scholarship for the hostel students studying in this school; a great help for the students to pursue their school education. St. Joseph's Group of Institutions also offers scholarship for sports academy who pursue their college education.

The Volleyball team won the first place in "B" division in the tournament conducted in the year 2015 and it was selected for "A" division volleyball tournament due to the encouragement, guidance and constant support from St. Joseph's Group of Institutions.

St. Joseph's Group of Institutions offered a scholarship amount of rupees fifty thousand for the Summer Volleyball camp held at Veluduyar Hr. Sec. School in the year 2015. Every year in addition to the Scholarships, the students were also offered free coaching and nutritious food during the camp.

The volleyball team started exhibiting their talents right from the beginning of the academic year 2015-2016.

During 2016-2017 it's noteworthy to mention that several outstanding team like, The Indian Bank, Indian Overseas Bank, Customs Department, Police Team, Chennai Spikers and Income Tax Department participated in these tournaments. In the Theni State Level Invitation Tournament 2017, the volleyball team defeated Indian Bank, Panimalar Engineering College, and Police Team to emerge **“Champions”**

and also won Rajapalayam State Level Tournament by trouncing STC-Pollachi, Loyola College-Chennai, Panimalar Engineering College and SRM University. In ONGC State Level Tournament held at Tiruvarur, St. Joseph's defeated Income Tax, Chennai Spikers and completed runner-up after posing tough fight to Indian Overseas Bank in the finals. In the same fashion, St. Joseph's finished second in state level tournament

after a 5 set thriller final match with Loyola College, Chennai held at Maraimalai Nagar.

K. Praveenkumar and G. Ramakrishnan represented TamilNadu in Senior Nationals and emerged third position. V. Selvavinayagam and C. Guru represented TamilNadu in youth Nationals. K.Praveenkumar, G. Ramakrishnan and B. Midunkumar represented TamilNadu in Federation Cup. K.Praveenkumar, G. Ramakrishnan, S. Palani, P.Tamilarasan, and V. Subramani represented Anna University in South Zone Inter-University Tournament and secured Second position. They also participated in All India Inter-University Tournament.

This victory is attributed to the hard work of St. Joseph's Sports Academy. During the 18th Annual Day of St. Joseph's Sports Academy, the volleyball team was encouraged with an amount of rupees twenty five thousand by St. Joseph's Group of Institutions.
