GOOGLE CLUB

The Google Club is an initiative by Google Developers for the facilitation of innovation among
students and aspiring engineers.It is a club for students where awareness workshops and events re held
to promote, learn and develop mobile solutions for our local eco-systems where small impacts can be
seen in our respective communities. The club hosted a one-day Android mobile development workshop
in our campus. The hands-on workshop marked the process of learning in a very enthusiastic manner
and hence was a great success for the students who attended.
