# VISION

To evolve as a Centre of Excellence in Education, Research and Development in the Information Technology arena by adapting to the rapid technological advancement to transform the learners into innovators at the global level .

# MISSION

**Cognitive strength:** To set an advanced education method for developing the cognitive strength of students and motivate them to get updated knowledge in the emerging areas of Information Technology.

**Professionalism:** To ignite the mindset, skill, attitude and core competence of students to produce graduates with International Standards.

**Centre of Excellence:** Excellence in education and research in the field of Information Technology in order to meet global challenges in computing industries.

**Career guidance:** To encourage our students to be a good leader by improving their ability in decision making and problem solving with ethical values.

**Research & Development:** To innovate the research in Information Technology to serve the needs of industry, government and society

# SMART INDIA HACKATHON 2024

The Smart India Hackathon 2024 - Software Edition, a flagship initiative by the Ministry of Education, Government of India, inspired by the vision of Honorable Prime Minister Shri Narendra Modi, was hosted at St. Joseph's Institute of Technology, OMR, Chennai, on 11th December 2024, commencing at 8 a.m. As one of 51 nodal centers across the country, St. Joseph's Institute of Technology played a pivotal role in driving innovation and problem-solving among India's brightest minds

# SMART INDIA HACKATHON 2024

This prestigious event saw participation from 22 teams, comprising approximately 132 participants from premier institutions nationwide. The competition focused on addressing four critical problem statements related to Swachhta and Life, financial services (banking and insurance), article/parcel delivery, and the community of philatelists, aligning with the vision of national development through innovative solutions.

The Chief Guest and dignitaries presented the winners with their prizes and certificates, while the jury members were honored with mementos and certificates of appreciation for their invaluable contributions. Participation certificates were distributed to all teams. The event concluded with St. Joseph's Institute of Technology setting a benchmark for excellence in innovation and collaborative problem-solving, ensuring the success of this transformative initiative.

The valedictory ceremony and prize distribution took place on 12th December 2024, at 8 p.m., with Dr. B. Babu Manoharan, Chairman of St. Joseph's Group of Institutions, as the Chief Guest. Other dignitaries included Mr. Yogesh Wadhawan, Mr. Ajay Gandhe, and the Guest of Honor, Dr. Vijayan K. Asari, alongside Mr. Vivekanandan T, a jury member representing the Department of Posts.

# SMART INDIA HACKATHON 2024

 The evaluation process was conducted by a panel of 12 esteemed academicians and industry experts. The event's success was further attributed to the unwavering efforts of the faculty, dedicated volunteers, and enthusiastic participants.

 The occasion was further elevated by the presence of distinguished guests, including Mr. Yogesh Wadhawan, Nodal Centre Head from AICTE, and Mr. Ajay Gandhe, Nodal Centre Head from I4C. The Guest of Honor, Mr. Naren Sundram, Senior Vice President and Country Head of Sagent India, delivered an inspiring address, encouraging participants. Additionally, esteemed international guests Dr. Phaklen Ehkan and Dr. Thennarasan Sabapathy from Universiti Malaysia Perlis (UniMAP) added prestige to the event.

# SMART INDIA HACKATHON 2024

Successfully demonstrated the potential of collaborative problem-solving and set a high standard for future hackathons and innovation-centric events

Contributed to the nation-building agenda by solving practical problems through technology and innovation. - Empowered participants with experiential learning opportunities, bridging academia and industry

# IEEE CONFERENCE

✦✦✦ A 4th IEEE conference was recently organized by the IT Department at St. Joseph's Institute of Technology on " INNOVATIVE COMPUTING, INTELLIGENT COMMUNICATION AND SMART ELECTRICAL SYSTEMS (ICSES -2024)" on 12th and 13th December 2024

The poster is for the 4th International Conference on Innovative Computing, Intelligent Communication and Smart Electrical Systems (ICSES -2024). It features a light blue background with decorative swirls and leaves. At the top, it includes the St. Joseph's Institute of Technology logo, the motto 'We Make You Shine', and a 31st anniversary seal. The text is centered and uses a mix of blue, pink, and red colors for emphasis. The venue and sponsors are listed at the bottom.

# IEEE CONFERENCE

✦ The conference provided an excellent platform for knowledge exchange, networking, and the presentation of cutting-edge research in various domains of IT.

✦ The primary objective of the conference was to foster collaboration among academia and industry professionals, facilitate the exchange of knowledge, and provide a platform for budding researchers to showcase their work.

# IEEE CONFERENCE

✦ The sessions were well-received, with active discussions following each presentation, allowing attendees to engage with the researchers and gain deeper insights into the topics.

✦ The conference also provided ample opportunities for networking, allowing attendees to engage with professionals from academia and industry. Dedicated networking sessions and social events, such as luncheons and coffee breaks, encouraged participants to discuss their research, explore potential collaborations, and share experiences. Many attendees found these interactions invaluable for their academic and professional growth.

✦ The conference was organized by the IT Department under the leadership of Dr. K VijayaKumar who served as the Chair of the organizing committee. The team consisted of faculty members, graduate students, and administrative staff, all of whom worked tirelessly to ensure the smooth running of the event.

✦ The conference featured several distinguished keynote speakers who shared valuable insights into the latest trends and future directions of IT.

✦ One of the main highlights of the conference was the technical sessions, where researchers and students presented their papers. The conference featured over more papers, which were carefully reviewed by experts in the field before being selected for presentation.

# IEEE CONFERENCE

The IEEE conference organized by the IT Department was a resounding success, bringing together leading experts, scholars, and students from various corners of the IT world. The event provided an enriching environment for participants to learn about the latest advancements in technology, exchange ideas, and build valuable connections for future research and professional endeavors.

**Global Reach:** Engaged 438 participants from the USA, UK, Philippines, Sri Lanka, and India. **Expert Insights:** Featured global leaders like Dr. Vijayan K. Asari and Ms. Naina Chowdhary Vallurupalli on advanced computing and industry trends.

**Research Excellence:** Showcased innovative papers and promoted collaboration between academia and industry.

**Skill Development:** Delivered sessions on industry-relevant technologies and career readiness. **Future Vision:** Strengthened ICSES's legacy, inspiring global innovation and collaboration. ICSES 2024 at St. Joseph's Institute of Technology set a high standard for research, innovation, and global networking.

The ICSES 2024 conference served as a confluence of intellect, innovation, and collaboration, providing a platform for meaningful discussions, knowledge exchange, and networking among participants. The event not only showcased the latest advancements in computing, communication, and electrical systems but also inspired attendees to explore new research avenues and industry solutions. The conference concluded on a high note, with a collective aspiration to continue this tradition of excellence in future editions of ICSES.
