

## DEPARTMENT OF MECHANICAL ENGINEERING

ACADEMIC YEAR 2020-2021

# *INDUSTRIAL VISITS*

Industrial Visits are arranged from time to time by our college for all the students to interrelate on a consistent basis with Industries and top software companies. The intention of these visits is to boost the student's understanding of information expertise. Such visits will help the students to get a comprehensible thought of the happenings and also to extend their career in the high tech industrial requirements.

An index of some companies which our students have visited as part of Institution-Industry-Interface:

\*Since it's a Full Lockdown during the academic year we conducted all the Industrial Visit in a virtual Mode.
