Total Areas in Square Feet :

St. Joseph's College of Engineering 14,91,000

St. Joseph's Institute of Technology 11,72,500

FACILITIES

The Colleges have twelve Audio-visual halls for conducting seminars and other Co-curricular and extra-curricular activities.

- All the class rooms are equipped with LCD projectors and necessary teaching aids.
- The student co-operative store supplies all text books, notebooks records, observations, drawing boards, mini-drafters etc.
- The stationery stores supply all drawing sheets, graph sheets, polar sheets, pen, pencil and other essential materials. The store which is situated in the campus provides items for day to day use.
- We have separate sections for printing and binding lab manuals, notebooks materials, mini-project reports, Inplant training reports and final year project reports at free of cost.
- The Indian Bank branches in the colleges assist the students in their financial transactions. We have three separate ATMs functioning for boys and girls in both colleges.

- The colleges have two sophisticated Gymnasiums for boys and girls.
- The colleges have two beauty parlors for girls and saloon for boys.
- We have intercom facilities which connect everyone in the college. In the hostel, every room has intercom connections.
- The college orchestra comprising of our own instruments and students proves to be a platform to display the talents of upcoming musicians
- Movies are screened for hostel students in the open air theatre. Free washing and ironing facility is provided for the hostel students.
- We have a bakery which provides delicious items for the students. The juice stall which is attached to the campus quenches the thirst of students.
- The colleges have a Chapel, Mosque and a Temple (Trinity) to cater to the religious needs of our students.
